## INCONTINENCE CATEGORY

# Presto®

**Living with incontinence can be complicated.**

Presto® can make life easier to manage. Their products are designed to make life more simple for you and your loved ones so you can get back to doing what you love without worrying about incontinence.

### **OdorSecure®**

Prevents odors before they have a chance to form.

### **Swift and Soft™ Layer**

Prevents leaks and improves skin dryness by efficiently funneling liquid into the absorbent core.

### **MoistureLock® Dual Core**

Increases the core's ability to absorb and lock fluid away from the skin, keeping you dry and comfortable.

### **LeakSecure™ Barriers**

Provides the most reliable leak prevention technology.

PRS-ABB21040

### **Supreme Full Fit® Briefs**

- Breathable materials promote air circulation for healthier skin.
- Refastenable tabs allow the brief to be adjusted for the perfect fit.
- Soft and discreet materials prevent skin irritation.

PRS-AUB24040

### **Supreme FlexRight® Underwear**

- FlexRight® underwear hugs the contours of the body closely for a more snug, secure fit.
- Underwear includes tear-away seams for convenient removal.
- Soft and discreet materials prevent skin irritation.

PRS-UPP29020

### **Moderate Underpads**

- Designed to guard against moderate leaks on beds and furniture.
- Soft and discreet materials prevent skin irritation.

**WE ARE PREFERRED**
